# OFFICIAL HUSQVARNA CONTINGENCY PROGRAM RULES: 2010

The 2010 Husqvarna Contingency Program is effective January 1, 2010 through December 31, 2010.

## ELIGIBILITY

- For the 2010 Husqvarna Racing Contingency Program, 2009 and newer CR, TC, TXC, WR, SM, and TE model motorcycles will be eligible.
- The motorcycle must retain factory color plastic, with factory Husqvarna graphics or approved alternate graphics. Husqvarna logos must be visible.
- The rider and the VIN of the motorcycle must be registered with Husqvarna's contingency program.
- In cases of riders competing on motorcycles owned by someone other than the rider, the motorcycle's owner must complete the sponsor information portion at the bottom of the Contingency Registration form.
- Dealers sponsoring riders must have paid for the unit in full.
- Warranty registration forms for retail sales must be on file before contingency is paid.

## REGISTRATION AND CLAIMS

- Enroll online at [www.xtrm.com/husqvarna](http://www.xtrm.com/husqvarna)
- If not already enrolled create your own Husqvarna XTRM account
- Additional VINs can be added through your Husqvarna XTRM account.
- Submit your results for all finishes eligible for contingency payout through your XTRM account.

## PAYOUTS

- Pro-, AA- class riders in designated classes at selected events will be paid by XTRM Visa Debit Card (not a credit card). All cash payouts are marked with a \$ following the class covered and the letter payout scale.
- At all other events, and all other riders, contingency will be paid with Husqvarna Bucks coupons. Coupons are valid at participating authorized Husqvarna dealers towards the full retail cost of parts, accessories, or motorcycles available from Husqvarna. Coupons are nontransferable and expire one year from date of issue.
- All Pro and AA series championship payouts will be paid by XTRM Visa Debit. All other series championship payouts will be paid with Husqvarna Bucks coupons.
- Riders claiming contingency money must enroll online at [www.xtrm.com/husqvarna](http://www.xtrm.com/husqvarna) and submit race results through their XTRM account.

## CONDITIONS

- There must be a minimum of seven (7) riders registered in class at motocross events for the contingency to be paid. In a two-moto format, contingency is paid based on the overall finish in class.
- There must be a minimum of five (5) riders registered in class at off-road events for the contingency to be paid. In off-road events with a team format, a minimum of five (5) teams must be registered in class for the contingency to be paid.
- If a rider competes in multiple classes at one event, the rider is only paid for the highest finish per VIN - there will be no multiple class payouts at the same event on the same machine.
- In cases of multiple divisions of the same class, contingency will only be paid for one division, as specified by the promoter and race officials.
- Contingency will be paid when results are confirmed with the event sanctioning body.
- Riders falsifying claims will be automatically disqualified from the contingency program.
- This contingency program is subject to change. Husqvarna's interpretation of the rules of this program is final.
